

Press Release

Clarification Regarding Auction Sign at Buck-Murphy Funeral Home

FOR IMMEDIATE RELEASE

June 18th, 2025

Idaho Falls, ID

Buck-Murphy Funeral Home wishes to address concerns raised by the recent appearance of an auction sign in front of our facility at [825 E. 17th Street, Idaho Falls, ID 83404](#). We want to reassure our community that **Buck-Murphy Funeral Home remains fully operational and is not for sale or closing**, despite misinformation that may be circulating, including inaccuracies on the auction website.

The auction pertains solely to the sale of the building property, which is owned by a separate entity. The owner of the building has decided to list the property for sale, but this decision does not impact the operations of Buck-Murphy Funeral Home. Our business is not part of the sale, and our family continues to serve your families with the same dedication and care that we have provided for years.

We are actively accepting families and remain committed to offering compassionate funeral services to everyone. We apologize for any confusion caused by the auction sign and the incorrect information on the auction website. We are working to clarify this matter with all relevant parties.

For any questions or concerns, please contact Tony Murphy or Josh Radford directly at (208) 522-7424 or office@buck-murphy.com. We thank our community for their continued trust and support.

About Buck-Murphy Funeral Home

Buck-Murphy Funeral Home is proudly serving the Idaho since 1922, providing compassionate and personalized funeral services to families in their time of need. Our family's commitment to excellence and care remains firm.
